

Welcome to **FASTIVUS!** A celebration to support the launch of the MK8 Golf GTI and Golf R - presented by TrackDaze High-Performance Driving at Summit Point Raceway - Shenandoah Circuit. Thank you to Volkswagen for sponsoring the event and thank you for signing up to participate! With your help, this will be an educational, exciting, enjoyable and, most of all, safe event.

As usual, we have a number of participants who are attending their first or second HPDE. If this is your first HPDE, please pay particular attention to details to get the maximum enjoyment out of this event. There will be parade laps behind a pace car at lunch, and a group photo with all VWs in attendance on track at 5pm.

Drivers are financially responsible for any and all damages they make to a facility and its parts, including those that result from any on-track incident such as contact with foam barriers, guardrails, etc. You will be billed by TrackDaze for any damage you incur to the facility. The only insurance covering drivers and their vehicles at the facility is their own.
